

LIST OF RENOWNED TRAINING PROVIDERS COMING ON BOARD THE SKILLSFUTURE CREDIT SCHEME

Training Providers	Brief Description
INSEAD	INSEAD is one of the world's leading and largest graduate business schools, where their business education and research spans internationally. It is one of the founding members of Sorbonne Universités, which is a research and higher education entity (ComUE) that has the goal of combining its resources in order to create a top level university faculty where education and research co-exist. Also, INSEAD has fostered strong alliance and partnerships with other renowned institutions such as Wharton Center for Global Research & Education and Tsinghua University. In 2016, three of INSEAD's MBA programmes were ranked no. 1 by the Financial Times in their categories.
Udacity	Udacity is a renowned brand in training for Data Science, Artificial Intelligence, and Data Analytics, positioning themselves as an online university by Silicon Valley that teaches the skills that industry employers need today and delivers credentials endorsed by employers. Their Nanodegree programmes delivered online are built with the world's forward-thinking companies such as Google, AT&T, IBM, GitHub and more.
edX	edX is founded by Massachusetts Institute of Technology (MIT) and Harvard University in 2012 as a MOOC provider. It offers high-quality courses from leading universities and institutions to learners everywhere, with more than 90 global partners today. As of 24 March 2016, edX has more than 7 million students taking more than 700 courses online.
